For each route, we expect to arrive at 'Downfield' (Marling/Stroud High School Sixth-Form) Music Centre at 08.45, and leave at 17.10...."

Afternoon journeys will leave the Music Centre approximately 10 minutes after the course finishes (i.e. at ~17.10 each day), and will be a straightforward reversal of the above itinerary.

Once again, the cost of the transport (which is being subsidised by GMS) is just **£6 per student per day** for the oldest child in the family. **Younger siblings travel for £4 per day – so the cost for 2 students from the same family will be £10** (or £14 for 3 students). Cheques should be made payable to GMS, please (or *Gloucestershire Minibus Scheme*, if you prefer!), with your child(ren)'s name on the back, then placed in an envelope and given to the driver on the first day.

If you have any transport-related questions – either beforehand or during the course – please call or e-mail the GMS office (details below). We're here to help!

We look forward to seeing you (and your youngsters!)

Many thanks,

Graham Stanley
